Bible-based, Christ-centred schooling from pre-Kindergarten to Year 12

# DUBBO CHRISTIAN SCHOOL

## *History*

Dubbo Christian School was established in 1983 as a co-educational school offering Bible-based, Christ centred schooling in the progressive regional city of Dubbo situated on the Central West Slopes and Plains of New South Wales, Australia.

We started in 1983 in borrowed premises, with a number of committed families, students and staff and a Board of Directors overseeing the commencement and operation of the school. During our first four years, land was purchased, a building program commenced, and we moved to our Sheraton Road site in 1987.

The school you see today is a far cry from our humble beginnings in 1983 when our school commenced with a population of just 44 (K-6) students and two staff members. Our first Year 12 cohort graduated in 1989.

The school population is now over 570 students (Pre-Kindergarten to Year 12) along with more than 80 dedicated members of staff. Pre-Kindergarten programs now operate for 3-year-olds (DCS pebbles) and 4-year-olds (DCS PREP). We also now manage Pumula Lodge, a nearby boarding hostel as well as Wellington Christian School, a K-6 school situated 30 minutes south-east along the Mitchell Highway.

Over the years DCS has developed a well-established mix of tradition, heritage and sustainability and is held in high regard in the Dubbo and wider community.

*‘Dubbo Christian School was highly recommended by both family and friends and is a big reason for us choosing to stay in Dubbo long term...’*

## *Our Educational Philosophy*

Dubbo Christian School implements a distinctively Christian educational program. The school is committed to Bible-based and Christ-centred curriculum based on a transforming vision. This vision has four aims:

- Responsive discipleship
- Centring all things on Jesus Christ
- Crafting high quality teaching for effective learning
- Seeking to build God's kingdom

All learning is informed by these aims and our Christian worldview is woven through all teaching and learning, implemented through *The Transformation by Design* framework. This framework seeks to ensure that a Biblical worldview is the foremost shaper and driver of the curriculum while incorporating current best practice in program development and teaching.

Our foundational belief is that all have been given the invitation to become followers of Jesus and to join with Him in becoming transforming agents of His kingdom. The broad themes and messages of the Bible, which describe our rebellion against God and His solution, in Jesus, to restore our relationship with the creator of the world, explain why Christian education is transformational – from its basis in the cross, to the shaping of teaching and learning, through its impact on curriculum, and then to the impact on the lives of students.

## *Purpose, Aims & Objectives*

Our aim is to help each child achieve Christian maturity and to partner with parents as we work together in the task of schooling. Dubbo Christian School students are nurtured academically, emotionally, physically and spiritually through a wide range of learning experiences in an atmosphere of love and care. Each child is seen as unique, made in God's image. Dubbo Christian School has a caring culture of high expectations in the context of genuine nurture of each student in order to develop discerning, well-equipped young people ready to confidently take their place in the world.

## *Academic*

Dubbo Christian School is an academic day and boarding school which offers a curriculum based on the NSW Board of Studies, Teaching and Educational Standards (BOSTES) Syllabus. These standards are accepted as a minimum requirement for our school.

Our school provides an academic program that has an integrated Christian perspective supported by a wide range of sporting, cultural and leadership opportunities. Studies lead to the award of ROSA (Year 10) and the NSW Higher School Certificate (Year 12).

In 2016 we appointed a Director of Learning Enhancement to develop and support our teachers to be the best they can be and ensure learning is maximised across our school.

We also employ Learning Support personnel to facilitate any special learning needs of our students and operate an on-site After-School Study Centre 3 afternoons per week, offering free tutoring to interested students from Year 5 and over.

### *Pastoral Care*

A structured Pastoral Care program meets the pastoral needs of students from pebbles to Year 12. We employ a School Psychologist who is on site 4 days per week and we enjoy the services of a School Chaplain 2 days per week.

*'We love the quality of education and student care.  
Our son has benefitted greatly since being at the school  
and we want our daughter to experience the same.'*

### *Our Community*

Dubbo Christian School is affiliated with Christian Education National (CEN), an Australia-wide network of independent Christian schools which began in 1962. There are over 80 similar schools around Australia.

We are a non-denominational Christian school with an open enrolment policy. Applications for enrolment are processed and assessed on an individual basis.

Parents are encouraged to become involved in the life of our school and it is a delight to see parents helping in classrooms, running events, accompanying excursions and sharing their skills, abilities and knowledge with our students.

### *Facilities*

Our facilities are tailored to support learning and community across the school and continued effort is applied towards developing these resources. We have an 800 seat Auditorium as well as a Gymnasium, a specially designed pre-Kindergarten room, 11 Primary classrooms, Secondary classrooms include specialty Art Room, Food Technology Room and Music Room, a Design & Technology space and two Computer Labs.

Students also enjoy an Agriculture plot, a large oval and beautifully landscaped grounds.

## *Fees*

Our mission as a Christian school is to assist parents in the nurture of their children. Dubbo Christian School packages as many education services as possible into one all-inclusive tuition price per student.

Stationery, compulsory excursions, sporting activities and competitions are all incorporated into the fees. Prompt payment discounts and generous sibling discounts are offered as a part of our commitment to families.

The Fee Schedule is available on our website under Enrolment/Fees.

## *Discipline*

Relationships are vital at Dubbo Christian School and all discipline has its foundation in positive and strong relationships. Policies for managing student behaviour and associated restorative practices assist students to learn from mistakes and to reconcile differences and problems.

The purpose of discipline is to help students learn respect, self-control and obedience in order to create a safe environment where learning can be maximised.

At Dubbo Christian School we acknowledge the close relationship between student well-being, pastoral care, classroom climate and good teaching practice. The close relationship between school and parents is also critical. Discipline therefore needs to be seen and developed within this holistic perspective.

Students are guided into positive ways to behave through the Student Code of Conduct, based on the phrase *The DCS WAY*

- **Do** unto others as you would have them do unto you
- **Classroom** behaviour that respects the right to learn
- **Stewardship** that looks after our school and our things
- **Wisdom** based on forgiveness, truth and honouring the Bible
- **Actions** that are courteous and loyal to others
- **Your own** decisions to wear the uniform proudly, speak in a wholesome way and to accept responsibility.

## *Opportunities*

Students enrolled at Dubbo Christian School enjoy strong Sport and Cultural programs which include a large variety of team and individual sports with pathways to National Christian School competition.

A major musical production is held each year, alternating between Primary and Secondary productions, always with a live orchestra made up of school community members – parents, staff and students.

Music tuition is available for students from Years 3 and over, with opportunities to join our Junior and Senior School Bands.

Our Art, Music and Drama programs provide opportunities for cultural expression as well as participation in productions and excursions to view professional performers and artists. Our Artist in Residence Program provides Drama students with the opportunity to learn from a professional

Opportunities to serve abound, not just within our school community, but also on a local, regional and even international level and students are encouraged to employ *Kind Words, Kind Actions* in their relationships both in school and beyond.
