WELCOME

Dubbo Christian School is a non-denominational, co-educational Christian day school established in 1983. It was set up by a group of parents from various churches who desired Christian education for their children. It started with 44 students and has steadily grown to its current size of about 640 students from Kindergarten to Year 12. Dubbo Christian School is a Child Safe School.

Dubbo Christian School's mission is to provide authentic, responsive and high-quality education that is Bible based and Christ-centred to prepare, equip and transform lives. Our school motto is "Learning in Truth" which emphasises that all learning is subject to the Lordship of Christ.

All that we do must be done in the context of the truth contained in God's Word and teachers are encouraged and challenged to contend with this notion and work towards truly faithful, Biblical programs and lessons. This is implemented by the "Transformation by Design" and "DCS Teaching and Learning" Framework.

The successful applicant will be required to work with the teaching and learning team to implement these frameworks in the secondary school.

Dubbo Christian School is a Christian Education National (CEN) school. This means it is committed to a parent-controlled governance model and the values of strong partnerships in the delivery of a transforming and Biblically authentic approach to education.

The heart of Dubbo Christian School is found in partnership that is built on strong relationships between all the stakeholders in our community – the staff, the students, our parents, churches and the wider community. We aim to be an authentic learning community engaged in developing and nurturing students so that they are able to identify and develop their God given potential in all facets of their life.

Dubbo Christian School is seeking a 7-12 Part-time or Full-time teacher to join our Mathematics department, contributing to our culture and academic emphasis.

"Students are nurtured and challenged throughout their schooling to prepare them to confidently take their place in the world".

Dubbo Christian School is governed by an overarching company, Berakah Christian Education Ltd. (BCE). BCE operates Dubbo Christian School, Wellington Christian School (WCS) and Dubbo Christian Preschool (DCP). The BCE vision is "In partnership, to equip students with a distinctive and responsive education, to be transformational with a heart for Christ".

The Board embraces its responsibility of governing the BCE Schools, and in particular, ensuring that the strategic direction and operations of each School align with the BCE vision and the respective School missions. A key Board priority is confirming that School operations are grounded in the principles outlined in the BCE Statement of Faith and Educational Charter and that the organisation as a whole protects and maintains its Christian distinctiveness.

OUR VISION

DUBBO CHRISTIAN SCHOOL SECONDARY

Dubbo Christian School Secondary currently has approximately 320 students in Years 7–12. They are a lovely group of young people who tell us anecdotally and through annual surveys that they enjoy being at school, they feel safe, and that they belong and know and appreciate that their teachers have high expectations of them.

It is anticipated that 7–12 enrolments will continue to grow as a result of the growth of Dubbo as a city as well as the provision of expanded facilities. Teachers in the secondary school are guided in their practice by “Teaching and Learning at DCS”, a resource developed by the school which outlines our vision for teachers to deliver Christ-centred, Bible-based curriculum; create God centred classrooms and contribute to building Christian community.

The current executive structure includes a Head of Secondary who works with an executive team of KLA leaders, Learning Support Coordinator and Director of Teaching and Learning Enhancement.

Secondary teachers will use the principles in the Christian Education National resource “Transformation by Design” to design authentic lessons that don't just deliver NESA curriculum but help our students understand the world God has made (Creation), the impact of sin and distortion on this world (Fall), how Jesus has redeemed our world (Redemption) and how we can respond as Christians to restore God's world (Restoration).
